Non-percussion instrument rental is \$300.00 per year. These funds are to partially cover wear and tear, cleaning and replacement. Percussion students pay a \$50.00 per academic year fee for replacement heads, sticks, mallets etc.

Any damage or need for repair will be the responsibility of the student unless the repair is needed prior to you receiving your instrument. If you are given an instrument that is not in good working condition please contact the director immediately.

Please make checks payable to Heritage High School Instrumental Music Foundation with the student's name in the MEMO area and return to the director. These funds go into the program's repair budget and need to go to Mr. Cuthrell and NOT the Heritage Bookkeeper.

Please remit payment as soon as you are able.
