Color Guard

This is an exciting way for students to
learn various forms of dance while
performing with the marching band. A
highly trained staff will teach ballet,
modern dance, and the basics of handling
equipment (flags, rifles and sabres) This
is the best place for students who don't
have previous band experience.

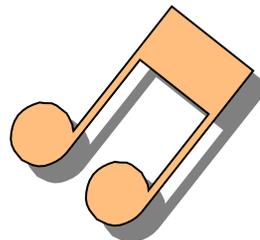

Jazz Ensembles

Students are required to audition to
participate in one of our two jazz
ensembles. Jazz I is reserved for those
with advanced playing ability. Students
must also be enrolled in a large ensemble
during the school day. These ensembles
perform several times throughout the
year and compete at the Mile High Jazz
Festival, the Legend Jazz Festival and
UNC Jazz Festival.

Concert Band

The Concert band is open to all students
and is our Intermediate Ensemble. This
group is usually for Freshmen and those
students needing to improve their skillset
before moving into the Symphonic Band.
This group performs at all band concerts.
Students are able to audition for any and
all honor groups. Grades 9-12 are eligible

Marching Band

The **SCARLET REGIMENT** is open to all instrumental music students and participation is **HIGHLY** encouraged. This group travels and competes in and out of state and advanced to the Colorado State Marching Band Championships for the last three years in a row. This group has become a staple at all Heritage football games and also marches two parades yearly. Students participating in

Marching Band receive P.E. credits which helps free their schedule to allow for other academic or elective opportunities. There is a mini band camp when school lets out and a full camp in August, rehearsals after school with the season wrapping-up near the end of October.
